

Highlands Gold Card Club

The Highlands School Districts invites **district residents 62 or older** to join the Highlands Gold Card Club. There are thousands of residents who fall into this category not yet enrolled and taking advantage of this wonderful program!

The FREE lifetime Gold Card Club membership entitles cardholders to FREE general admission tickets to all district home athletic events, dramatic and musical productions and band and choral concerts.

At events that offer reserve seating, Gold Card Club members may purchase reserve seat tickets by paying the difference between the general admission and reserve ticket price.

If you are not yet a member, please complete the form below. Mail or bring to:
